A. N-15-06S Short Granite Construction Company  
French Camp Facility  
10500 South Harlan Road  
French Camp, CA 95231

Petitioners: Alysha Waddell

Patrick Houlihan presented the Staff Report.

Granite is requesting a short variance from applicable requirements of District Rules 2010, 2201, and 4309, in addition to applicable conditions of the subject permit. The requested variance period would be from June 5, 2015, through September 2, 2015. If granted, the variance would allow Granite to postpone the compliance source test

until a sufficient quantity of asphalt is produced in order to perform the compliance source test.

Ms. Waddell commented if the facility reaches the threshold and production levels, there is a company on stand-by to perform the source test.

Public Comment:

Having decided the petition has met the required findings, on motion of Mr. Hofmann and seconded by Ms. Easton, unanimously passed, the petitioner was granted a short variance.
