

NOTICE OF STAKEHOLDER MEETING

The District will hold a stakeholder meeting on proposed amendments to **Rule 4621 (Gasoline Transfer into Stationary Storage Containers, Delivery Vessels, and Bulk Plants)** and **Rule 4622 (Gasoline Transfer into Motor Vehicle Fuel Tanks)** on Wednesday, August 28, 2013 as follows:

- 9:00 – 10:00 AM for owners and operators.
- 10:00 – 11:00 AM for contractors and testers.

Proposed amendments to these rules include the following:

- Add an exemption from Phase II vapor control system requirements for E85 refueling.
- Ensure these rules can accommodate ARB's adopted cost reduction measures.
- Removal of redundant and expired language and clarifications to existing rule language

The stakeholder meeting may be attended at one of the following locations:

- In person at the District's Fresno office (1990 E. Gettysburg Ave, Fresno)
- Via video teleconference at either of the District's regional offices (4800 Enterprise Way, Modesto or 34946 Flyover Court, Bakersfield)
- Via webcast at:
