CERTIFICATIONS

- I certify that my truck is an “Agricultural Vehicle” as described in the FARMER Ag Truck Replacement Program Guidelines.
- I have reviewed the information provided in this application and all supporting documentation to be true and correct, and meet the minimum guideline requirements of the FARMER Ag Truck Replacement Program;
- I agree to follow all requirements of the FARMER Ag Truck Replacement Program Guidelines;
- Neither the owner nor equipment identified in the application has any outstanding violations or non-compliance with CARB regulations, If violations or non-compliance is found this application may be ineligible;
- Any additional non-Program funding needed to complete the equipment project according to the proposed timeframe is reasonably available;
- New equipment must **not** be purchased, received, installed, paid for, or placed into operation prior to contract execution unless specified by the Program Guidelines, and if allowed, equipment owner shall assume all financial risk if equipment is ordered prior to contract execution, and is in no way assured program funds;
- I have all the information needed to understand what must be done to maintain eligibility for the FARMER Ag Truck Replacement Program funds. This includes maintaining registration and ownership; keeping equipment in legal operating condition within California; correcting any air pollution citations; complying with all CARB regulations; and reporting, repairing, or replacing equipment that has been damaged, destroyed, or stolen;
- I understand that the new equipment proposed in the application will be required to operate 100% of its operating time within California and 75% within the District boundaries for the length of the project life;
- I understand as an applicant that incentive programs have limited funds and shall terminate upon depletion of program funding.

I hereby certify that all information provided in this application and any attachments are true and correct to the best of my knowledge.

IMPORTANT REMINDERS

- **DO NOT PURCHASE NEW EQUIPMENT!** Trucks funded by this program can only be purchased after contract is fully executed between the equipment owner and the District.
- **KEEP EXISTING TRUCK REGISTERED AND IN OPERATION!** Maintain DMV registration and operable condition until the truck has been relinquished to a District-approved dismantler.
- **STAY COMPLIANT!** Register in CARB's Truck Regulation Upload, Compliance, and Reporting System (TRUCRS). Ensure fleet is compliant with requirements of the ARB Truck and Bus Regulation or applicable regulatory advisories for duration of incentive program participation. Retirement of existing equipment included in application or the replacement equipment being purchased cannot be used to demonstrate compliance for eligibility determinations.
