SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number: (if submitted to State Clearinghouse):

Project Title: Draft Amendments Rule 4354

Project Location: Counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare.

Lat: **Long:** **OR** **Sec:** **TwN & Dir:** **Ran & Dir**

Project Description: This rulemaking project will amend Rule 4354 (Glass Melting Furnaces) to reduce oxides of nitrogen (NOx), oxides of sulfur (SOx) and particulate matter (PM) emissions from glass melting furnaces. This project is part of the District's 2007 8-hour ozone and 2008 PM2.5 attainment strategies. To satisfy the attainment goals of the ozone and PM plans, this project will seek to obtain as much NOx, SOx, and PM emission reductions from this source category as is expeditiously practicable, technologically feasible, and economically reasonable, as determined by the District's Governing Board. The rulemaking project is also intended to satisfy state and federal Clean Air Act requirements. The draft NOx limits can be met through choice of raw materials, firing technology and add-on pollution control equipment. For NOx control, add-on control could be the use of Selective Catalytic Reduction (SCR) technology or ammonia/urea injection. The draft SOx limit can be met through choice of raw materials and add-on pollution control equipment. Add-on control could be a wet or dry scrubber. The draft PM limit can be met through material selection, material feed configuration and add-on controls. For add-on PM emission controls, filters or electrostatic precipitators are used.

This is to advise that the San Joaquin Valley Unified Air Pollution Control District, acting as a Lead Agency or Responsible Agency has approved the above described project on October 16, 2008, and has made the following determinations regarding the above described project:

1. The project will will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was was not adopted for this project.
5. A statement of Overriding Considerations was was not adopted for this project.
6. Findings were were not made pursuant to the provisions of CEQA.

This is to certify that the District's Findings, Final EIR, or Negative Declaration, and record of project approval, is available to the General Public at: San Joaquin Valley APCD, 1990 E. Gettysburg Street, Fresno, CA

Signature (Public Agency):  Title: Director of Permit Services

Date: October 17, 2008
