

Fresno Bee

**NOTICE OF FINAL ACTION
FOR THE ISSUANCE OF AUTHORITY
TO CONSTRUCT PERMITS**

NOTICE IS HEREBY GIVEN that the Air Pollution Control Officer has issued Authority to Construct permits to Pacific Gas & Electric Co for a temporary 2,722 bhp Tier 2 certified diesel-fired full-time use IC engine, at Helms Office Complex-Woodchuck, Shaver Lake.

All comments received following the District's preliminary decision on this project were considered.

Comments received by the District during the public notice period resulted in referenced PE2 and SSPE2 values being revised to match the calculated values. These changes were minor and did not trigger additional public notification requirements, nor did they have any impact upon the Best Available Control Technology determination or on the amount of offsets required for project approval.

The application review for Project #C-1111924 is available for public inspection at http://www.valleyair.org/notices/public_notices_idx.htm and the **SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT, 1990 EAST GETTYSBURG AVENUE, FRESNO, CA 93726.**
