

**NOTICE OF FINAL ACTION
FOR THE ISSUANCE OF AUTHORITY
TO CONSTRUCT PERMITS**

NOTICE IS HEREBY GIVEN that the Air Pollution Control Officer has issued Authority to Construct permits to Madera County Engineering Department for the installation of two 1220 bhp diesel-fired emergency standby internal combustion (IC) engines, at 14191 Road 28 in Madera, CA.

All comments received following the District's preliminary decision on this project were considered.

Comments received by the District during the public notice period resulted in the project requiring a 30 day school notice period. These changes were minor and did not trigger *additional* public notification requirements, nor did they have any impact upon the Best Available Control Technology determination or on the amount of offsets required for project approval.

The application review for Project #C-1113280 is available for public inspection at http://www.valleyair.org/notices/public_notices_idx.htm and the **SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT, 34946 FLYOVER COURT, BAKERSFIELD, CA 93308.**
