Enclosed are the ERC Certificates and a copy of the notice of final action to be published approximately three days from the date of this letter.

Notice of the District's preliminary decision to issue the ERC Certificates was published on November 12, 2013. The District's analysis of the proposal was also sent to CARB and US EPA Region IX on November 6, 2013. No comments were received following the District's preliminary decision on this project.
