

**SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT**

**NOTICE OF AVAILABILITY  
OF  
FINAL DRAFT STAFF REPORT**

**Proposed Update to District's Risk Management Policy to Address OEHHA's Newly Adopted Risk Assessment Guidance Document**

NOTICE IS HEREBY GIVEN that the final draft staff report on the proposed update to the District's Risk Management policy to address Office of Environmental Health Hazard Assessment's (OEHHA's) newly adopted Risk Assessment Guidance document is available as of March 18, 2015 to the public for comment. The final draft staff report can be downloaded from the District's website at the following location: [http://www.valleyair.org/notices/Docs/2015/3-18-15\\_risk/final-draft-risk-policy-sr.pdf](http://www.valleyair.org/notices/Docs/2015/3-18-15_risk/final-draft-risk-policy-sr.pdf).

The draft updates to the District's Risk Management Policy incorporate District Governing Board direction to implement the revisions to OEHHA's risk assessment guidelines, without relaxing current health protections, while also preventing unreasonable restrictions on permitting. The draft updates also address comments received during and after the public workshop on October 9, 2014. This Notice of Availability opens a second public commenting period as noted below. After considering and appropriately addressing comments received during this public process, the District intends to finalize the revised District's Risk Management policy, addressing the newly adopted OEHHA Risk Assessment Guidance.

Written comments should be addressed to Mr. Chay Thao and emailed to [chay.thao@valleyair.org](mailto:chay.thao@valleyair.org) or mailed to SJVUAPCD, 1990 East Gettysburg Ave., Fresno, CA 93726. Comments must be received by 5:00 pm Pacific Time on April 1, 2015. For additional information, contact Mr. Thao by email at [chay.thao@valleyair.org](mailto:chay.thao@valleyair.org) or (559) 230-6000.
