

**NOTICE OF FINAL ACTION
FOR THE ISSUANCE OF
AUTHORITY TO CONSTRUCT PERMITS**

NOTICE IS HEREBY GIVEN that the Air Pollution Control Officer has issued the Authority to Construct permits to E & J Gallo Winery for the modification of 178 wine fermentation and storage tanks to establish a combined annual volatile organic compound (VOC) emission limit, at 18000 W River Rd, Livingston, CA.

All comments received following the District's preliminary decision on this project were considered.

Comments received by the District during the public notice period resulted in revisions to the conditions relating to the Title V application requirements. These changes were minor and did not trigger additional public notification requirements, nor did they have any impact upon the Best Available Control Technology determination or on the amount of offsets required for project approval.

The application review for Project #1142303 is available for public inspection at http://www.valleyair.org/notices/public_notices_idx.htm, the SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT, 1990 EAST GETTYSBURG AVENUE, FRESNO, CA 93726, and at any other District office. For additional information, please contact the District at (559) 230-6000.
