

**SAN JOAQUIN VALLEY UNIFIED
AIR POLLUTION CONTROL DISTRICT**

**NOTICE OF PUBLIC MEETING
OF THE CLIMATE CHANGE ACTION PLAN
TECHNICAL WORKGROUP**

NOTICE IS HEREBY GIVEN that the Greenhouse Gas Emissions/CEQA Guidance Technical Workgroup for the Climate Change Action Plan will meet to explore possible options for addressing greenhouse gas (GHG) emissions during the CEQA process.

The SJVAPCD has established two technical workgroups to develop recommendations and guide the District in the development of a Climate Change Action Plan. The workgroups contain representatives from local governmental planning agencies, industry, environmental organizations, the general public, and District staff. Based on the results of the workgroups' discussions, SJVAPCD staff will prepare recommendations to be presented to the APCO. Staff will then present recommendations to the Governing Board for consideration in the summer of 2009.

Greenhouse Gas Emissions/CEQA Guidance Technical Workgroup

This technical workgroup will develop recommendations on addressing GHG emissions during the CEQA process. This workgroup will consider the following:

- Identification and quantification of GHG emissions,
- Determination of significance, and
- Mitigation of GHG impacts.

MEETING INFORMATION

Interested parties that are not members of the workgroup are invited to attend this public technical workgroup meeting.

The technical workgroup meeting will be conducted at the following location, date and time:

Central Region Office, 1990 East Gettysburg Ave., Fresno
