

SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing will be held on December 19, 2013 at 9:00 AM, or as soon thereafter as may be heard, at 1990 East Gettysburg Ave., Fresno, California. The following actions will be considered at the hearing:

Adopt proposed amendments to the following rules:

Rule 4621 (Gasoline Transfer into Stationary Storage Containers, Delivery Vessels, and Bulk Plants), and

Rule 4622 (Gasoline Transfer into Motor Vehicle Fuel Tanks)

Proposed amendments to Rule 4621 and Rule 4622 would add an exemption from Phase II vapor control system requirements for E85 refueling, ensure these rules can accommodate ARB's adopted cost reduction measures, reduce the frequency of the Dynamic Back-Pressure Test and removal of redundant and expired language and clarifications to existing rule language.

These actions will affect sources in the counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, and Tulare. The public hearing may also be attended through video teleconferencing at the San Joaquin Valley Unified Air Pollution Control District's (District) regional offices at 34946 Flyover Court, Bakersfield, California and at 4800 Enterprise Way, Modesto, California. The public hearing will be presented live via webcast at: <http://www.valleyair.org/webstreaming/webcast-meetings.htm>

NOTICE IS FURTHER GIVEN that the adopted rules will be submitted through the California Air Resources Board to the United States Environmental Protection Agency for incorporation as part of the California State Implementation Plan (SIP). The proposed actions would constitute a SIP revision.

NOTICE IS FURTHER GIVEN that pursuant to California Health and Safety Code Section 40727.2, the District has prepared a rule consistency analysis for proposed Rule 4621 and Rule 4622 that compares the elements of the proposed rules with the corresponding elements of other District and federal regulations and guidelines that apply to the same types of equipment or source categories, as applicable.

NOTICE IS FURTHER GIVEN that all interested persons desiring to be heard or to present evidence on said matters may appear at said hearing. Interested persons may view the proposed rules at the District offices and on-line at: www.valleyair.org/workshops/public_workshops_idx.htm
