The public workshop will be presented in-person, via video conferencing (VTC), and via webcast at the following time and locations:

**Workshop
May 31, 2017 (Wednesday)
2:00 PM**

In-person workshop: Fresno
VTC: Bakersfield & Modesto

Webcast: http://www.valleyair.org/Workshops/public_workshops_idx.htm

Fresno: Governing Board Room, SJVUAPCD Office, 1990 E. Gettysburg

Modesto: VTC Room, SJVUAPCD Office, 4800 Enterprise Way

Bakersfield: VTC Room, SJVUAPCD Office, 34946 Flyover Court

The District is proposing to amend Rule 3110 (Air Toxic Fees) to reduce fees charged facilities to recover the District's cost of implementing the state's Air Toxics "Hot Spots" program. This fee reduction proposal is made possible by intensive streamlining and efficiency efforts being implemented by the District as it incorporates new requirements under the state's air toxics health risk calculation procedures and the state's Air Toxics Hot Spots program.

Related documents will be available to download from the District's website the week of May 22, 2017 at: www.valleyair.org/Workshops/public_workshops_idx.htm

Webcast participants can email written comments or questions during the session to WebCast@valleyair.org. The District recommends that you do not run other programs while viewing the webcast, as it may interrupt or lower the quality of the signal.

Written comments should be addressed to Mr. David Garner at SJVUAPCD, 1990 East Gettysburg Ave., Fresno, CA 93726 and must be received by 5:00 pm Pacific Time on June 14, 2017. For additional information, contact Mr. David Garner by e-mail at david.garner@valleyair.org or by phone at (559) 230-5938.
