

San Joaquin Valley Unified Air Pollution Control District

**NOTICE OF PUBLIC WORKSHOP ON DEVELOPING AN OZONE
ATTAINMENT DEMONSTRATION PLAN FOR
SAN JOAQUIN VALLEY AIR BASIN**

NOTICE IS HEREBY GIVEN that a public workshop will be held to present information regarding the development of the San Joaquin Valley Unified Air Pollution Control District's (Valley Air District) Ozone Attainment Demonstration Plan. This Ozone Attainment Demonstration Plan sets forth the emission reductions and timeline for attaining the National Ambient Air Quality Standards (NAAQS) for ozone (1-hr standard) in the San Joaquin Valley Air Basin (SJVAB). Staff of the Valley Air District will give status reports on emission inventory development, control measure implementation, photochemical modeling, and preliminary projections of future ozone air quality in the SJVAB. Participants will have the opportunity to ask questions and comment on the material presented. The workshop will be presented in-person, and via video teleconferencing (VTC) at the following times and locations:

Tuesday, January 6, 2004, 1:00 pm
Wednesday, January 7, 2004, 1:00 pm

In-Person:
