<u>Docket No.</u>	<u>Type</u>	<u>Company Name</u>
A. N-10-05i	Interim	Thermal Energy Development Partnership, LP 14800 Schulte Road Tracy, CA 95377

Petitioners: Jeff Adkins, Tike Heshimu

Patrick Houlihan presented the Staff Report.

The District believes that the required findings can be made and recommends that Thermal Energy Development Partnership, LP be granted an interim variance with the conditions as stated on pages three and four of the report.

Mr. Adkins was concerned that the effective dates to occur between June 21, 2010 and September 1, 2010 would not be long enough, in case the variance request could not be heard on August 4, 2010. He requested the effective dates be changed to June 21, 2010 through September 18, 2010. Because September 18, 2010 still falls within the 90 interim variance time-frame, his request was granted.

Strike September 1, 2010 in recommendation number one. The sentence shall read: The variance shall be effective for a period to occur between June 21, 2010 and September 18, 2010. The rest of that sentence is to remain intact.
