<u>Docket No.</u>	<u>Type</u>	<u>Company Name</u>
A. N-10-08S	Short	Hilmar Cheese Company 9001 North Lander Avenue Hilmar, CA 95324

Petitioners: Michael Kummer

Patrick Houlihan presented the Staff Report.

The District believes that the required findings can be made and recommends that

Hilmar Cheese Company be granted a short variance with the conditions as stated on pages four and five of the report.

Mr. Kanai, asked Petitioner, Michael Kummer, if four days would be long enough to complete the work. Mr. Kummer stated that unless unexpected problems arise, the actual work should take one eight-hour shift. He stated that he felt all conditions can be complied with. Hilmar Cheese Management asked that he inquire about moving the four-day period up from the September 7 through September 10 time period, to September 2 through September 5, 2010, as they are ready to begin work at this time.

Mr. Kanai asked what the District position on that request would be. Patrick Houlihan stated that the District would not have a problem with the date change, but did want to note that the summary due date in condition number eight would change from September 25, 2010 to September 20, 2010. Mr. Kummer stated he understood.
