### CERTIFICATIONS

- I will disclose the value of any existing financial incentive that directly reduces the project cost, including tax credits or deductions, grants, or other public financial assistance for the same truck, and will disclose any other source(s) of funding that has been applied for that is used for the same project, including the source of funds, amount, and the purpose for funding;
- I have reviewed the information provided in this application and all supporting documentation to be true and correct, and meet the minimum guideline requirements of the Truck Replacement Program;
- I agree to follow all requirements of the Truck Replacement Program Guidelines;
- The program-funded equipment shall be placed into operation prior to the applicable operational deadlines to remain eligible for funding;
- The owner nor Fleet identified in the application has any outstanding violations or non-compliance with CARB regulations, if violations or non-compliance is found this application may be ineligible;
- The purchase of this low-emission vehicle is NOT required by any local, state, and/or federal rule or regulation, including, but not limited to, the Drayage Truck Regulation (13 CCR §2027), Truck and Bus Regulation (13 CCR §2025), and/or Solid Waste Collection Vehicle Regulation (13 CCR §2021);
- Any additional non-Program funding needed to complete the equipment project according to the proposed timeframe is reasonably available;
- New equipment must **not** be purchased, received, installed, paid for, or placed into operation prior to contract execution unless specified by the Program Guidelines, and if allowed, equipment owner shall assume all financial risk if equipment is ordered prior to contract execution, and is in no way assured program funds;
- New equipment purchased outside of California may be subject to California sales and/or use tax;
- I have all the information needed to understand what must be done to maintain eligibility for Truck Replacement Program funds. This includes maintaining registration and ownership; keeping equipment in legal operating condition within California; correcting any air pollution citations; complying with all CARB regulations; and reporting, repairing, or replacing equipment that has been damaged, destroyed, or stolen;
- I understand that the new equipment proposed in the application will be required to operate at least 90% of its operating time within California and at least 50% within the District boundaries for the project life, depending on the option selected in this application;
- I understand as an applicant that incentive programs have limited funds and shall terminate upon depletion of program funding.

**I hereby certify that all information provided in this application and any attachments are true and correct to the best of my knowledge.**

### IMPORTANT REMINDERS

- **DO NOT PURCHASE NEW EQUIPMENT!** Trucks funded by this program can only be purchased after contract is fully executed between the equipment owner and the District.
- **STAY COMPLIANT!** Register in ARB's Truck Regulation Upload, Compliance, and Reporting System (TRUCRS). Ensure fleet is compliant with requirements of the ARB Truck and Bus Regulation or applicable regulatory advisories for duration of incentive program participation. Retirement of existing equipment included in application or the replacement equipment being purchased cannot be used to demonstrate compliance for eligibility determinations.
