

Program Retailers

Applicants must purchase a new device from a retailer on this list. Applicants have full discretion when choosing a retailer and are encouraged to contact multiple retailers to compare pricing, services provided, and device selection to determine what fits their needs. The District does not endorse or employ any of the listed retailers. To assist qualified low-income applicants with their purchase, participating retailers are offering a reduced upfront cost for the purchase of a new device. If you are a low-income applicant, please feel free to visit a participating instant reduction retailer identified on this list, or contact program staff at (559) 230-5800 for more information.
