**Following is a list of businesses understood by the San Joaquin Valley Air Pollution Control District (District) to perform installation of, or maintenance on, gasoline vapor recovery systems within the District. These businesses are not affiliated with nor in any way related to the District. The District neither recommends nor endorses any of the businesses listed herein; makes no express or implied warranties or representations regarding these businesses and/or the service(s) they provide; and assumes no responsibility or liability for the service(s), or lack thereof, provided by these businesses. The District makes no representation as to the completeness or accuracy of this list and the associated information.*
