

**SAN JOAQUIN VALLEY  
AIR POLLUTION CONTROL DISTRICT  
NOTICE OF FINAL DECISION TO ISSUE  
RENEWED FEDERALLY MANDATED OPERATING PERMIT**

NOTICE IS HEREBY GIVEN that the San Joaquin Valley Air Pollution Control District has made its final decision to issue the renewed Federally Mandated Operating Permit to Sentinel Peak Resources CA LLC at Sentinel's Heavy Oil Western Stationary Source, California. All comments received by the District during the commenting period for this project were considered and resulted in minor changes that did not trigger additional public notification requirements.

The District's analysis of the legal and factual basis for this action, project # S-1204088, is available for public inspection at any District office and at [www.valleyair.org/public-meetings-and-participation/public-notices/#permittingERCnotices](http://www.valleyair.org/public-meetings-and-participation/public-notices/#permittingERCnotices). For additional information, please contact the District at (661) 392-5500.
