

# CERTIFIED ASBESTOS CONSULTANTS

Asbestos surveys must be performed by a Cal-OSHA Certified Asbestos Consultant. Please visit the California Department of Industrial Relations, Division of Occupational Safety and Health (DOSH) website ([www.dir.ca.gov](http://www.dir.ca.gov)) for more information.

A complete list of certified asbestos consultants and their certification status may be found at [http://www.dir.ca.gov/databases/doshcaccsst\\_Query\\_1.HTML](http://www.dir.ca.gov/databases/doshcaccsst_Query_1.HTML).

This list of Certified Asbestos Consultants located within the geographic boundaries of the San Joaquin Valley Air Pollution Control District is provided as a public service. The District makes no representation as to the completeness or accuracy of this list or its associated information. Additionally, the District neither recommends nor endorses any of the business listed herein, and none are related to nor affiliated with the District. The District assumes no responsibility nor liability for the service(s), or lack thereof, provided by these businesses.
