

RULE 3901 FEES FOR REGISTRATION OF WOOD BURNING HEATERS (Adopted September 18, 2014; Amended April 19, 2018, effective July 1, 2019)

Note: This rule is effective on and after July 1, 2019.

1.0 Purpose

The purpose of this rule is to establish the fee required for the registration of a wood burning heater (including pellet-fueled wood burning heaters) as defined in Rule 4901 (Wood Burning Fireplaces and Wood Burning Heaters).

2.0 Applicability

The requirements of this rule apply to any individual who chooses to register a wood burning heater pursuant to District Rule 4901.

3.0 Registration Fee

Applicants registering a wood burning heater shall pay a non-refundable registration fee of \$13.70 as a part of the application process.

4.0 Renewal Fee

Individuals choosing to renew their registration with the District shall pay a nonrefundable renewal fee of \$13.70 as a part of the application process.

No earlier than 60 days prior to the expiration date of the registration, the District shall provide the individual with an invoice for the renewal fee. If the individual chooses to renew the registration, then the renewal fee shall be due to the District within 60 days of the invoice date.
