1.0 Applicability

This rule shall apply to any person or source operation required to comply with any of the San Joaquin Valley Unified Air Pollution Control District Rules and Regulations.

2.0 Requirements

If any provision, clause, sentence, paragraph, section or part of these Rules or Regulations or application thereof to any person or circumstance shall for any reason be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, such judgement shall not affect or invalidate the remainder of these Rules or Regulations and the application of such provision to other persons or circumstances, but shall be confined in its operation to the provision, clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgement shall have been rendered and to the person or circumstance involved, and it is hereby declared to be the intent of the San Joaquin Valley Unified Air Pollution Control Board that these Regulations would have been adopted in any case had such invalid provision or provisions not been included.
